

PCC Bylaws - Proposed Amendments, Spring 2018

(Underlined language is to be added, strike-outs are to be removed.)

Article IV – Dues

Section 2. Timing

- B. The annual dues for a Regular Membership shall cover the period from September 1st through August 31st (the "Membership Year").

Note: This new definition is needed for the Article VI amendment below.

Article VI – Committees

Section 1. General

- A. The Board shall appoint one or more Members to serve on each of the Club's Committees. Any Member who has voting privileges in good standing is eligible to serve on a Committee. All appointments are to be made for the current ~~program~~ Membership Year.

Note: The problem with our present "program year" appointment (defined at Art. VII(1)(A)) is that it leaves committees, particularly the Investment Committee, vacant through the summer.

Article VII – Meetings

Section 2. Special Meetings

- A. Annual Meeting:

The annual meeting shall be held ~~immediately prior to or on the last scheduled competition meeting~~ on the first Monday meeting in May unless Members are notified of the alternate day, place, and hour no fewer than ten (10) days and no more than fifty (50) days in advance.

Note: There is no good reason to tie the annual business meeting to the club's competition calendar. Further, combining a lengthy business meeting with a competition has on occasion left insufficient time for either to be conducted properly.

Article XI. Amendments

The by-laws may be amended at any Club meeting by a two-thirds (2/3) vote of the members present, provided a copy of the proposed change has been ~~provided to each member~~ made available to the membership by posting it to a club website or forum and giving oral notice of the proposed amendment at two or more meetings beginning at least two (2) weeks before such meeting.

Note: This clarifies the notice requirement for proposed amendments to the by-laws.
