

PCC Members Exhibit in Brunswick

PCC members have an opportunity to display and potentially sell your photographs. We will have a curated exhibit at the Curtis Memorial Library (Brunswick) for the month of February. If you wish to have a photo considered for the show, send an image the same way we do for the competitions. (1920x1080px, Fname-Lname-title.jpg). Send your images (up to 3 images) to pccupload@gmail.com The deadline for submissions is midnight, Thursday, Dec 12th.

If you have a print currently on display at the Woodfords Club that you would like to have considered, please submit the jpg to the pccupload email. We are planning to take down the images at the Woodfords Club at our meeting on Jan 20th so the same print could be used for the Brunswick Library exhibit in February.

We will curate the images on Dec 15th and will notify the makers of the images selected shortly after. It will be the maker's responsibility to have the image printed and ready to be hung by the end of January. Details about dropping off the print will be coming shortly.
